

Community Grants Program - Yallourn

Funds local initiatives that will deliver sustainable benefits for the Latrobe Valley.

The Latrobe Valley region extends from Morwell in the east to Trafalgar in the west (including satellite towns).

Applicants with projects that benefit communities close to the Yallourn Power Station and Mine are particularly encouraged to apply.

Focus areas:

1. Education

- Funding aimed at promoting education – especially in the areas of Science, Technology, Engineering, Arts and Maths (STEAM). This also includes programs and organisations that support career and skill development as well as employment.

2. Sustainability

Funding aimed at promoting sustainability and energy efficiency projects.

3. Resilient communities

Funding aimed at promoting economic growth, tourism and social inclusion in the amazing local communities where we live and work.
