

Ministry Grants

Provides seed capital and strategic support to growing Christian ministries.

The Genesis Foundation is committed to helping Christian ministries in Australia and New Zealand present the good news of Jesus in word and deed and give people the chance to respond to Him.

The Foundation does this through providing seed capital and strategic support to Christian ministries for tactical projects that will deliver long term sustainable ministry growth.

They seek to help Christian organisations with strategic planning and seed capital in order to multiply their work and implement projects that become self funding, so that they have the greatest impact for Christ's Kingdom.

They would like to see:

- Men and women coming to a personal faith in Jesus and participating in a healthy local church, and
- A supportive framework for new and growing churches.

The Foundation is particularly interested in receiving Ministry Grant submissions for Bible-based projects in Australia and New Zealand that include sustainable growth projects focused on:

- Youth
- Evangelism
- Christian media at the sector level
- Global Christian ministries at the global level
- Community based ministry (must include presentation about Jesus & the chance to respond to Him).

The funds are directed towards the establishment of strategic ongoing growth projects that are likely to become self-funding after a reasonable time.

Please note, Genesis no longer supports individual churches or ministries outside Australia.

A Preliminary Enquiry Form may be submitted during the period from Wednesday 17 September 2025 ended noon Friday 26 September 2025.

Those invited to complete a Grant Submission will need to lodge the Grant Submission by noon Wednesday 15 October 2025.
