

Genesis Charitable Foundation Grants

Helps Christian organisations with strategic planning and seed capital in order to multiply their work and implement projects that become self funding.

Genesis Foundation supports strategic projects that

- Will have a multiplier effect, and
- Will be self-funding after a reasonable time.

Usually these are projects that grow within an existing Christian organisation. After reviewing the development project plan, budgets and management requirements, Genesis provides the necessary seed capital.

Please note, Genesis no longer provides grants directly to churches (including both planting or growth initiatives).

Preliminary Enquiry Forms for ministry grants are considered once a year.

Those invited to complete a Grant Submission will need to lodge the Grant Submission by noon Wednesday 11 October 2023.
