

ANZ Community Foundation

Aims to support projects run by charitable organisations which offer a direct and tangible benefit to local communities.

The ANZ Community Foundation is funded by regular contributions made by ANZ staff and ANZ. Established in 1988, the Foundation supports small to medium-sized projects run by charitable organisations that offer a direct and tangible benefit to local communities. Where structured volunteering by ANZ staff members would add value to the funded project, ANZ is keen to facilitate this type of in-kind support.

The Foundation supports projects across four granting areas:

- Financial wellbeing
- Environmental sustainability
- Housing access
- Thriving communities.

Preference is given to organisations and projects that have the support of an ANZ staff member as a Sponsor

Organisations must be charitable and hold Deductible Gift Recipient status Item 1 in order to apply.
