

# The EastWeb Fund

Works with and funds projects benefiting Aboriginal and Torres Strait Islander, asylum seeker and refugee communities living in Victoria.

Eastweb funds projects focused on health care, employment, education, and cultural heritage promotion and maintenance.

Eastweb makes grants of between \$2000 and \$5000 four times a year.

Note - In 2024, they will be trialling some proactive granting, providing unrestricted organisational funding to organisations and groups that work in their focus areas. Advisory Board members will be recommending and reviewing organisations to support.

To that end, if you think that Eastweb doesn't know about your awesome organisation yet, you are a DGR1 organisation (or can partner up with a DGR1 organisation) and work with First Nations people in Victoria, or refugees and asylum seekers in Victoria, send them an email briefly introducing yourselves. If Eastweb thinks you're a good fit, they will be in touch to find out more about your organisation and what funding or other support you need.

Eastweb is especially keen to support organisations that are First Nations led, or refugee and asylum seeker led, and organisations that are youth-led!
