

EastWeb Grants

Funds projects within Victoria working with Indigenous, Asylum Seeker or Refugee communities in the areas of health care, employment, education, cultural heritage promotion and maintenance.

Sports small, start-up community building projects devised and run by the communities, for the communities. Access to education, employment, healthcare, and maintenance of cultural heritage are key predictors of equity and equality in Australian society and these were adopted as The EastWeb Fund's focus areas.

Please note that The EastWeb Fund is generally unable to grant to organisations without both DGR and TCC Status. However it is open to auspicing arrangements.

Grants are made four times a year (rounds close end of October, January, April and July). If you miss the deadline for a round, EastWeb will hold your application over for consideration in the next round.
