

# EnergyAustralia Yallourn Community Grants

Provides community grant funding to support locally-based initiatives which deliver positive and sustainable difference to the Latrobe Valley.

EnergyAustralia has two priority areas for funding. These are:

- Education: Funding aimed at promoting education and knowledge acquisition. This can include programs with a social or environmental focus and organisations which support career or skill development.
- Social inclusion: Funding aimed at facilitating social inclusion. This is aimed at initiatives that support community cohesion and can include such things as men's sheds, upgrading communal facilities, improving local amenities and supporting vulnerable community members.
