

National Court Rebate (NCR)

Assists affiliated venues, local councils and schools to create positive environments for the long term success of tennis in Australia.

Projects supported by the program range from developing new courts, upgrading existing facilities, building or line-marking Tennis Hot Shots courts, Tennis Australia's Book a Court with integrated gate access technology, major projects and strategy & planning.

Since its inception, the program has proven to be a resounding success in stimulating more than 3,000 new or resurfaced tennis courts and considerable investment in the sport across Australia. The NCR continues to act as a catalyst for all tennis and government stakeholders to form partnerships and better plan for the provision of strategically located networks of community tennis venues.

The first step in the process of applying for the rebate involves contacting your Member Association Places to Play representative for further information.
