

are-able Foundation Grants

Provides grants to community organisations to assist those living with a disability or experiencing disadvantage.

Annually, the are-able Foundation provides up to \$100,000 worth of community grants.

Applicants can apply for a grant of up to \$5,000.

The are-able Foundation:

- Provides assistance to community organisations to assist those living with a disability or disadvantage
- Aims to reduce barriers for people living with a disability or disadvantage to participate in community life
- Promotes inclusiveness, through group activities specifically targeted towards disability or disadvantage
- Enables people living with a disability or disadvantage to develop skills and grow within their community.

are-able Community Grant applicants must meet the following qualifying criteria:

- Small to medium not-for-profit organisation (under \$1,000,000 annual turnover)
- The community grant requested must be \$5,000 or less
- The grant project must be located within an are-able Geographical area
- The activity or project benefits people within the community experiencing disability or disadvantage.
- Your organisation can supply an ABN or ACN?
- Your organisation must not have received an are-able Foundation community grant within the past two years
- Be able to provide proof of incorporation
- If successful, does the applicant have the resources to implement the grant within 2 months?
- Please note, events are no longer eligible for are-able Foundation Community Grants, if you're looking for event sponsorship please email marketing@areable.org.au.

Applicants will be awarded funding based on the highest scores in each of the following areas:

- Do the organisations mission, vision and values align with those of are-able?
- Does the organisation service clients or community members considered to experience disability or disadvantage?
- Will this project provide benefits to people in our community living with disability or disadvantage?
- Will the benefits be ongoing and/or service a large amount of people?
- The initiative directly assists people with a disability or experiencing disadvantage through education, support systems or programs
- The initiative creates or enhances social and/or physical participation for people with a disability or disadvantage
- The initiative creates or enhances community access
