

ACFE Board Capacity & Innovation Fund

Provides opportunities for Learn Local providers to develop and implement projects designed to meet learner needs and to increase participation and attainment.

All Expressions of Interest by Learn Local providers and Adult Education Institutions for Round 9 Capacity and Innovation Fund grants must align with one or more of the following aims to be considered for project funding:

- Maximise learner participation, equity & access to high quality programs
- Support pathways to further education and employment
- Demonstrate the effectiveness, socio economic value and impact of pre-accredited training
- Respond effectively to identified needs in local communities.

The ACFE Board has identified the following priority learner cohorts for specific emphasis in pre-accredited programs:

- Women, including young mothers, women seeking to re-enter the workforce after significant time away, women who have experienced or are experiencing family violence
- People in low socio-economic status localities
- Early school leavers

- People with a disability
- Young people who may be at risk of disengaging or who may have already disengaged from the community and/or education.

It is expected that the majority of CAIF 9 project funding requests will be limited to a maximum of \$50,000, regardless of the number of Learn Local providers involved in the project.
