

# VicHealth Sponsorships

Offers funding for one-off events such as conferences, award nights and festivals.

Sponsorship funding is provided in exchange for a 'sponsorship benefit' for VicHealth - this might include naming rights or branding opportunities for your event.

Requests should align with the VicHealth Strategy 2023-2033.

Successful applicants will be required to comply with VicHealth branding guidelines.

Programs, projects, individuals or sports teams are not eligible to apply for VicHealth sponsorship funding.

Sponsorship applications are open all year, with applications assessed at the end of each month (except December - these applications are assessed at the end of January).
