

CSIRO Kick-Start

Provides Australian start-ups and small to medium enterprises with matched funding to undertake research activities with CSIRO to grow and develop their business.

The program offers eligible businesses access to dollar-matched funding of \$10,000-\$50,000 to undertake the following research activities with CSIRO:

- Research into a new idea with commercial potential
- Development of a novel or improved product or process
- Test a novel product or material developed by the company.

At a minimum, you must:

- have an Australian Company Number (ACN) and be registered for GST
- have an annual turnover of less than \$1.5 million, in the current and each of the two previous financial years, or
- have been a registered company for less than three years.
