

Business Boost Grants Program

Provides support to small businesses to advance improvements in their efficiency and productivity.

Funded businesses are expected to:

- Boost turnover, profit and employment
- Increase business confidence and skills
- Enhance the business's efficiency and productivity
- Improve business resilience and survivability.

This support includes funded activities in 3 project areas:

- Future planning
- Specialised and automated software
- Planning and systems for staff management and development.

Successful applicants must equally co-contribute towards the total project cost.

Projects will not be funded with a total cost of less than \$20,000 (excluding GST) or payments made before the approval date (you must be approved before you pay for grant-funded project activities).

The application process includes 2 stages:

- Stage 1: Registration of Interest (ROI)
- Stage 2: Full application.

To be eligible for this grant, your business must:

- Have more than 1 and less than 20 employees (by headcount)
- Have an active Australian Business Number (ABN) and be registered for GST
- Have a registered Queensland headquarters location (as per your Australian Business Register (ABR) record)
- Be established and financially sound
- Experiencing growth, with a gross profit in the 2023–24 financial year
- Have a turnover of \$300,000 (minimum) in the 2023–24 financial year
- Have a publicly accessible web presence to identify business operations (e.g. business website and/or social media pages)
- Not have been approved for funding under earlier Business Boost rounds
- Not be insolvent or have owners/directors that are an undischarged bankrupt.

Your business must maintain this eligibility for the duration of the grant-funded activity.
