

Diversification and Sustainability Support Fund

Funding to help Canberra's club industry shift their reliance on gambling-based revenue to more long-term sustainable solutions.

The Diversification and Sustainability Support Fund (the Fund) was set up in 2019 to provide funding for activities and initiatives that seek to achieve the following purposes:

- Assisting clubs to diversify their income to sources other than gaming machines
- Supporting the sustainability of clubs
- Contributing to projects that help reduce regulatory costs or improve efficiency in administration and compliance for clubs
- Training and skills development for club workers, executives and members of club management committees and boards.

Applications may be accepted from:

- ACT clubs and club groups who operate gaming machines under a Class C licence
- ACT club industry peak body representatives or representative groups
- Trade unions representing ACT club workers
- Australian state and territory Government organisations
- Club workers, executives and members of club management committees and boards.

Applications can be made under two separate categories:

Tier 1: Funding up to \$25,000

- Tier 1 is open to small or medium clubs and small or medium club groups only
- Tier 1 is open all year. Applications made under Tier 1 will be considered by the Advisory Board on an ongoing basis.

Tier 1 applications must meet all of the following criteria:

- The applicant must be a small or medium club or a small or medium club group
- The application must be consistent with the Fund purposes
- The application must represent value for money.

Tier 2: Funding up to \$250,000

- Tier 2 is open to any club or other entity that can demonstrate that the funding sought will be applied towards meeting the Fund purposes. This includes small or medium clubs and small or medium club groups
- Tier 2 will open at least once each year.

Tier 2 applications must meet all of the following criteria:

- The application must be consistent with the Fund purposes
