

Community Partnership Program - Cadia Legacy Fund

Works in partnership with community representatives to develop and deliver strategic projects which will leave a legacy on the local region (within Blayney, Cabonne or Orange LGAs).

At Cadia Valley Operations, Newcrest Mining distributes funding each year to support and enhance community groups and organisations in the Blayney, Cabonne and Orange local government areas.

Projects must demonstrate strategic alignment with government or key stakeholder plans. Multiple year partnerships will be considered, subject to demonstration of Key Performance Indicator (KPI) achievement.

Eligibility Criteria

- Are within Blayney, Cabonne or Orange LGA's
- Indiscriminately benefit the whole or a wide section of the local community or will provide a lasting or ongoing benefit to the local community
- Are one of the following; Incorporated not-for-profit organisations, community group or registered charity; Local, State or Federal Government department; Indigenous identified organisation endorsed by the Orange Local Aboriginal Land Council (OLALC); Applications from other community, commercial or business structures may be considered on a case by case basis
- Applications will be considered which support the following; Agriculture; Health; Indigenous; Sustainability, Technology & Innovation; Tourism.

Applications for the Cadia Legacy Fund will open twice per year. All interested applicants should discuss their project with a Cadia Social Performance representative prior to completing an application. Once applications have been submitted there will be a two stage review process.
