

# The Awesome Foundation Grants - Fleurieu Chapter

Funds community projects that make Fleurieu 'more awesome'.

The Awesome Foundation is microphilanthropy in action. As with other chapters, ten people contribute to make \$1000 available each month to fund awesomeness.

The Fleurieu Peninsula is full of awesome ideas, creatives, change makers, community organisations and individuals doing awesome things for our beautiful region. Awesome Foundation Fleurieu is passionate about seeing them flourish! The chapter grants one thousand dollars every month with zero strings attached. Just the money awesome needs. Let them know what you are planning, why it's awesome and how you plan to spend the money.

The chapter carefully assess each application. And they did say there are no strings, however there are some things they won't fund:

- Marketing for already established projects
- Initiatives where the grant will generate direct profit for the applicant
- Any travel, catering expenses or operations associated with running a business
- Awesome submissions that don't show how the money will be used.

Anyone is eligible for a grant — individuals, groups, and organizations alike.
