

Victorian Primary Producer Flood Relief Program

Supports primary producers across Victoria affected by the devastating floods to get back in business, with a package of support to help kickstart their relief and recovery effort.

The Program includes 4 components:

- 1. Victorian Primary Producer Flood Recovery Grant**
- Up to \$75,000 is available to support clean-up, relief and recovery efforts. This grant replaces the \$10,000 Primary Producer Flood Clean-Up and Relief Grants announced 21 October 2022.
- 2. Victorian Rural Landholder Grant**
- Up to \$25,000 is available to help rural landholders who have an eligible smaller-scale primary production enterprise with clean-up, relief and recovery efforts. If you do not meet the eligibility for the \$75,000 Flood Recovery Grant, but operate a smaller-scale primary production enterprise, you may be eligible for this grant.
- 3. Victorian Primary Producer Flood Recovery Transport Support Program**
- Is available to help pay for the transport of emergency fodder or stock drinking water, and moving stock to agistment, sale or slaughter. This program provides a subsidy of up to \$15,000 paid at 50 per cent of the total costs.
- 4. Victorian Primary Producer Flood Recovery Concessional Loan**
- Primary producers, small businesses and not for profit organisations whose properties have been directly hit are eligible to apply for a Victorian Primary Producer Flood Recovery Concessional Loan of up to \$250,000 to restore or replace damaged assets, and meet general expenses incurred while the clean-up is underway.
